Station Madras, *Dated the* 28th September 19 39.

From (Name) Dewan Bahadur Dr.B.Sundara Raj, M.A., Ph.D.,
(Designation) Director of Fisheries,

To The Secretary to the Government of Madras,
Development Department.

Sir,

The Sub Assistant Director of Fisheries reports that higher standards has to be opened in the two schools for which particulars are given below:--

(1) Kesarkodi school. This school was opened on 20.6.1938 under sanction conveyed in G.O.No.Ms.894 Development dated 2.4.1938. Till May 1939, the school had only the First standard. In June 1939, Standard II was opened. The present strength of the classes is:--

Standard I.	...	47.
" II.	...	22.
		69.

2

If Standard III is opened next year, the probable strength of classes will be:-

Standard I.	...	28.
" II.	...	33.
" III.	...	18.
		79.

Since each class will require a separate teacher, the existing staff of two teachers will not be sufficient. An additional teacher will be necessary.

(2) Uppur school. The circumstances under which Standard IV was opened in this school were reported to Government in my letter No. D.Dis.2028-C/38 dated 18.7.1938. The present strength of the Ma classes is:-

Standard I.	...	13.
" II.	...	15.
" III.	...	14.
" IV.	...	8.
		50.

If standard V is opened next year, the strength of classes is expected to be:-

Standard I	14.
" II.	14.
" III.	15.
" IV.	12.
" V.	8.
	63.

The present staff of two teachers will not be able to manage the five standards. Hence an additional teacher is wanted.

2. In the circumstances, I request that you will be so good as to obtain the sanction of Government for the opening of Standard III in the Kesarkodi school and of Standard V in the Uppur school and for the employment of an additional teacher in each with effect from 1.6.1940.

I have the honour to be,
Sir,
Your most obedient servant,

C.R. Natesa Pillai.
for Director of Fisheries.

(From the D.I. No. 2601-C/38-I, dt 28-9-38)

To A.S.

Please see the D.F.'s below at pts 1-2 cr. The Director's proposals involve an average extra cost of Rs 800/-.

1/4 x 12 = 66 1/2 x 12 = 798 or 800

In connection with the proposal for the opening of IV standard in the Karwaji School, the Secretary ~~to Govt~~ observed that the Jnr. Dept's suggestion for deferring the proposal might be accepted. For orders whether the Director's proposals for the opening of III standard in the Kesarkodi school and IV standard in Uppum School and for the employment of an additional H.E. grade teacher in each of these schools should be sanctioned in this dept.

If it is considered that it would not matter much if new standards are not opened, the proposals may be deferred to better times.
